What is Impact Factor?

Impact Factor is a day of workshops from a number of different agencies organised by the London Fire Brigade Crossfire team. It is a programme for young people 11+ to support citizenship and PSHE programmes within Croydon Schools and Colleges.

This is a one day event exploring decision making, choices, and consequences through real life re-enactments of critical incidents.

There will be an opportunity for all to examine the realities and myths through interactive workshops and short films.
