CAD (CROYDON AGAINST DRUGS) UPDATE

"Speak your mind" Conference

Well done and thank you to all the young people who attended our first Young People's "Speak Your Mind" Conference on Saturday 20th March 2004. This made a great impact with our partnership work with the representatives from the Police and Education. The questions raised will be taken forward to Executives of the Council for their action. Vic Hanson conveys his thanks and congratulations to all the Young People who took part.

Young People Group

Many thanks to the Young People's Group who helped at your first CSEP Young People's Conference. There is room for more of you to join. The group have already suggested various ideas they would like **you** to be a part of. Students of CSEP meet at 12.30pm - 1.00pm every Saturday. Our aim is to have a meeting during the week either Tuesday or Thursday evening. This time will enable us to discuss issues in more detail. Our next meeting will be Saturday 24th April 2004.

CSEP Rave—3rd July 2004

If you would like your next rave to be successful we need to start obtaining information. Dawn Wilson is here every Saturday so you can always drop-in to discuss this matter further. You can always call Dawn Wilson during the week and she will call you back to discuss your ideas. If we do not have enough time to organise the event, the event will be cancelled until another time.

Newsletter

A few weeks ago, the Community Against Drugs Newsletter was distributed and Dawn Wilson explained how important it was for the next edition to be written by students. We wish to include articles students are interested in, so please think about what you would like see in the next Newsletter during the Easter Holiday, and let Dawn Wilson have your suggestions by Saturday 24th April 2004.
